

Coping with Difficult Emotions

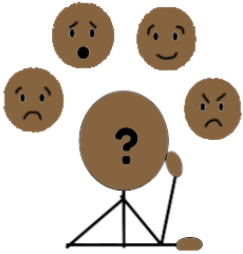

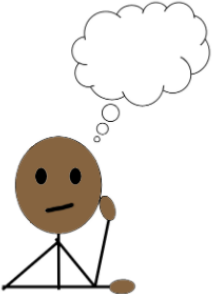

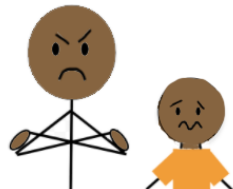

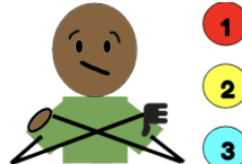

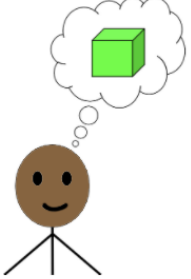

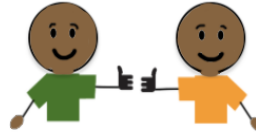

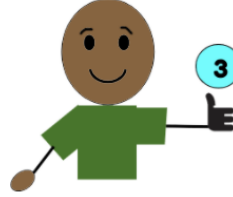

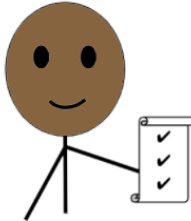

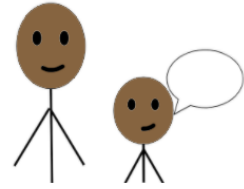

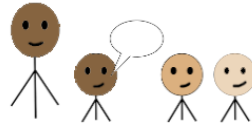

How to use:

Laminate the page and have your child use a dry-erase marker to circle items (one for each row) -or- turn it into a velcro board by laminating two copies: one to use as the board, and one for cutting out the picture cards that will be velcroed to the board.

***Comes in 3 different skin tones. Characters are gender neutral; hair has been purposely left out so that your student/child can customize the characters' hairstyles.**
